Office of the Collector,
Civil & Military Station,
Bangalore, 31st July 1933.

My Dear Mr. Raman Nayar,

I enclose copies of correspondence noted in the margin. Collector thinks that a reference to the Accountant General, Madras is really not necessary but that it is desirable that the Collector's and Secretary to the Resident's quarters should be dealt with in a similar way. Would you kindly let me know, for Collector's information, who will pay the meter hire for Secretary to the Resident's quarters, the Secretary to the Resident or the Government?

1. Executive Engineer's No.W.550 dated 13-7-33
2. Treasury Officer's No. 424 dated 26-7-33.

Sincerely yours,

Letter No. W.550 dated 13-7-33 from the Executive Engineer, to the Collector, C & M Station, Bangalore.

Reference:- Your No. 3196-A-33 regarding the Meter Hire due on the Collector's quarters.

According to the rules passed recently by the Municipal Commission- the owner is responsible for the meter hire. In the present case (the Collector's quarter's Quarters) the Government is the owner and as such it is a legitimate charge on it.

Please state whether the meter hire referred to above should be debited to "Office Contingencies."

Letter No. 424 dated 26th July 1933, from the Treasury Officer, Bangalore to the Collector, Civil & Military Station, Bangalore.

In returning in original your endorsement No.3196-A-33 dated 21st July 1933, I have the honour to state that under the 2nd sentence of Fundamental Rule 45 A VI, the tenant has to pay the meter hire. I think that the rules prescribed by the Municipality would simply mean that the Government should recover from the tenant and that the Municipality would look to Government for the recovery. Perhaps a reference to the Accountant General, Madras, would be necessary.

Under the 2nd sentence of the Fundamental Rule 45A-VI, the tenant has to pay the meter hire and not the owner of the building. Hence sanction cannot be accorded for the payment of Rs.,3/- being the meter hire of the Collector's quarters. The meter hire is therefore payable by the Collector.

S.N.1/a of D

In connection with the meter hire due on the Collector's Quarters, the Munl. Ex. Engineer stated, in July 1933, that according to the rules passed by the Munl. Commission the owner was responsible for the meter hire. and that as As the Government is the owner of the -- Collector's Quarters it is a legitimate charge on it.

S.N. 1/b of D

The Treasury Officer, who was consulted by the -- Collector, stated that under the second sentence of Fundamental Rule 45 (5) A-VI the tenant had to pay the meter hire. He thought that the rules prescribed by the Municipality would simply mean that Govt. should recover from the tenant and that the Municipality would look to Government for the recovery. He therefore suggested a reference to the Accountant General,

S.N. 1 of -do-

Madras. The Collector thought that a reference was not really necessary but that it was desirable that the Collector's & Secretary's Quarters should be dealt with in a similar way. As no meter hire bill

S.N. 2 of -do-

for Secy's Quarters was received then, the Sheristadar, Collector's Office, was informed that a reference would be made, if necessary, to the A.G., Madras, on receipt of a bill for the Secy's Quarters. A bill has now

now been received with the P.U.C. for Secy's Quarters and the Collector in P.U.C. II, requests sanction for the payment of Rs. 3/- being the meter hire per annum for his Quarters.

If approved the Accountant General, Madras, may be addressed in the first instance.
